It's important to take time to look over the results from the last assessment cycle and really focus on a data-informed direction going forward. In collaboration with your assessment team and program faculty, review each submitted template from 2021-2024 and consider the following for each Program Learning Outcome, add your narrative to the template, and submit the draft to your **ASL Rep** by **May 15, 2025**.

This certificate is planned to be sunsetted now that all currently enrolled students have completed the program. All students who have entered the program graduated successfully in Spring 2025. The program is officially suspended with a requested suspension date of January 2026; no classes in the program are currently being offered, and no new students are being admitted. To see current SLOs and instruments, please refer to the 2023/2024 ASL for this program.
