

FEELING *Driven*

Varsity golf team wins region championship, finishes third at state tournament

Practice Makes Perfect

While maintaining her focus at practice, senior Lauren Kaelin practices her stance and swing. Kaelin explained how practices and tournaments differ.

“During tournaments, we have to remain focused and take it one shot at a time,” Kaelin said. “Practices, on the other hand, are less competitive but still are challenging and allow us to work on our weaknesses.”

1. "My favorite part of golf is winning and making new friends," freshman Emma Lindemoen said.
2. "My favorite part of golf is of course hitting good shots and shooting low scores, but also meeting people from all over the world," senior Abigail Sutherland said.
3. "My favorite part of golf is van rides and listening to music before tournaments and how close our team is," senior Janie Morgan said.
4. "My favorite part about golf is being able to play the sport I love with my best friends," senior Lauren Kaelin said.
5. "My favorite part of golf is my teammates' love and support," freshman Charly Garner said.
